Subject: RE: coordinating communications/documents posted to DEQ
ftp server

Kristine - I apologize for any confusion; I was under the impression that EPA had access to the DEQ ftp site. Attached are the text, figures, and table; the appendices (12MB) will follow in a separate email.

These documents are in production and hard copies with CDs will also be distributed.

Please don't hesitate to call or email if you have any questions.

EPA does not have access to this FTP site. If you would like for us to
review this document, please send it to me. Thanks,

Kristine Koch
